CERTIFIED GREEN PROJECT MANAGER

The GPM-b™ certification course equips project professionals with the foundational knowledge to align projects with **Environmental, Social, and Governance (ESG)** goals, enabling them to meet modern stakeholder demands and deliver outcomes that balance business objectives with lasting sustainable value.

Learn to...

- **Lead Responsibly:** Masterfully balance business goals with environmental stewardship and social responsibility.
- **Drive Real Impact:** Build unbreakable trust with stakeholders by delivering projects that benefit everyone.
- **Go Beyond the Surface:** Instead of just aligning with the UN's Sustainable Development Goals (SDGs), you'll learn to tackle the **root causes** of global issues, driving deep, systemic change.

Who should attend?

- **Project Managers**
- **Program Managers**
- **Portfolio Managers**
- **Project Coordinators**
- **Business Analysts**
- **PMO (Project Management Office) Staff/Leads**
- **Sustainability Managers/Specialists**
