# Facilitator's Profile

---

Dr. Rumesh Kumar is a:

- Certified Professional Trainer;
- Certified Knowledge Manager;
- Certified Project Management Professional (PMP);
- ScrumStudy Certified Trainer; and
- Certified Tetramap facilitator.

He is the Senior Regional Consultant for Denison Consulting and is affiliated with MDI Management Development GmbH. He specializes in the areas of project management and knowledge management.

## **Project Management Based Training**

He has taught Project Management as a course in the Heriot Watt University MBA programs, and has guided hundreds of participants in obtaining their PMP® certification. He also conducts non-certification based project management training courses such as project planning, basic project management, complex project management, stakeholder management and risk management for organizations such as Western Digital, the Employee's Provident Fund (EPF) and the Public Works Department (JKR).

## **Project Management Based Consulting**

Dr. Rumesh is presently involved in undertaking post project reviews, performance improvement and competency assessment in various projects and as well as organizational culture profiling for senior managers in different organizations.

He has assisted many organizations in developing project management tools and customised methodologies. He also specializes in providing consulting services such as organizational diagnostic assessments, competency assessment, cultural and leadership profiling as well as continual productivity improvement

## **Scrum & Agile Based Training**

Dr Rumesh is a Certified Scrum Trainer and regularly conducts Scrum & Agile Certification courses. He is also a Certified Scrum Coach, and coaches organizations on how to effectively utilize Scrum teams and processes. He possesses all three certifications provided by SCRUMStudy, Scrum Developer Certified, Scrum Master Certified and Scrum Product Owner Certified.

# FAQ

## What are the benefits of taking on the PMP® course with an Authorized Training Provider (ATP)?

- All ATPs have to undertake a stringent quality check process, to ensure the course materials, teaching methodology and trainer experience is at par with PMI's® expectations. All course materials provided by ATPs shall also be official PMI PMP® course materials, following the latest syllabus

## What are the PMP® exam qualification requirements

- High School Diploma/Degree in any field
- 3 years' project management based work experience if Degree holder. 5 years' project management based work experience if Diploma holder.
- 35 Contact Hours of Project Management education with an Authorized Training Partner®

## What is the new PMP® exam format?

- It will consist of 180 questions, with a combination of multiple choice, multiple responses, matching, hotspot, case study and scenario and limited fill in the blank.
- You will be provided with 230 minutes to complete the exam

## What are the changes within the new PMP® Exam Syllabus?

- The PMP® Certification Exam has changed in July 2026, and will focus on three new domains, namely:
  - People – Emphasizing the skills and activities associated with effectively leading a project team
  - Process – reinforcing the technical aspects of managing a project
  - Business Environment – highlighting the connection between projects and organization strategy
- Content that spans the value delivery spectrum, including predictive, agile and hybrid approaches, will be included across the three exam domains

## How much is the PMP® examination fee?

- The PMP® Examination fee is USD 575 (approx. RM 2,700). This fee can also be claimed together with the course fee for HRDF SBL Khas/HRD Corp Claimable Course.

## Is there any financial assistance available for payment?

- Yes, the course fee is fully claimable via HRDF SBL Khas/HRD Corp Claimable Course. There is also the option for interest free installment payments, up to 6 months. Contact us for further information.

## Do I need to renew my PMP® certification?

- All PMP® certified candidates will have to maintain their PMP® Certification by collecting 60 PMI® PDU points and paying USD 60 to PMI® every 3 years. PDU points can be collected many ways, contact us for more information

# Testimonials from Students

---

## ***What they say about us***

“The experience of the instructor in the area of project management in so many diverse fields have proven to be most beneficial. Dr. Rumesh has been generous in providing a lot of practical advice and examples which helps is to understand each topics more.”

“Dr Rumesh is able to make students relate to the technical understanding of the course to real life examples or scenarios.”

“There were many examples given by the instructor to clarify the terms and definitions thought in class.”

“Instructor is highly experienced in the subject matter and provides good insight to the course based on true personal experience.”

“Good coverage of the course material, and the run-through of quiz questions are very helpful.”
